"By being nice to everyone and hopefully inspiring other teens to not always have to go with the trends. I want to inspire them to start their own trends."

Amy Wald, Junior

"By being awesome"

Azaan Merchant, Freshman

How are you going to

"I will leave my mark by following the advice of Haley James Scott, 'Now is the time for us to become the people we've always dreamed of.'"

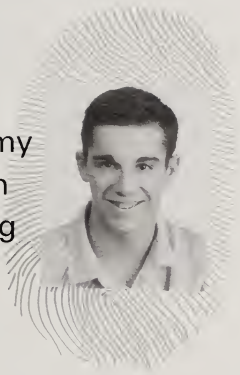
Rachel Davidson, Senior

"I am going to leave my mark on Sharon High by building relationships with students and teachers and hopefully influencing their lives, even in a small way."

Ethan Whitney, Senior

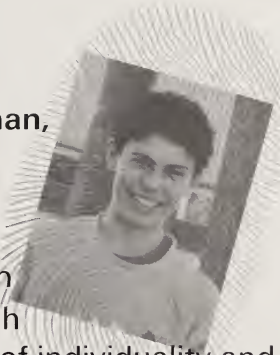
LEAVE YOUR MARK on Sharon High?

Sam Fromkin, Senior



"I want to leave my mark on Sharon High by breaking and defying sterotypes"

George Goldman, Junior



My mark on Sharon High will be one of individuality and passion. If I have inspired any of my peers to live with conviction, I'll be satisfied."

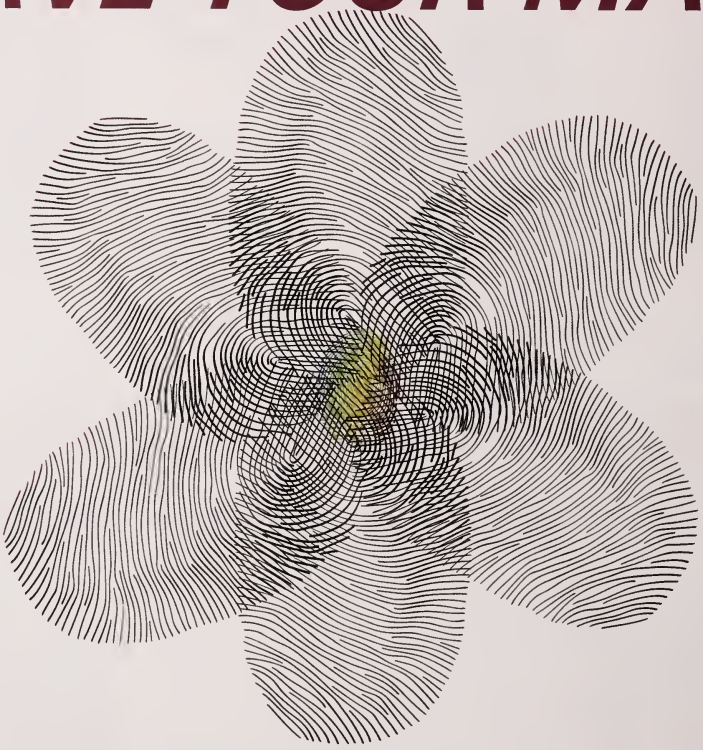
"By being a positive role model for underclassmen as well as being a good friend to my peers!

Allie Ross, Junior

Mariel Yuan, Freshman

"I want to leave my mark on Sharon High by helping to make the experience as fun as possible for the class of 2018!"

LEAVE YOUR MARK



Each one is unique. The ridges swirl and spin to form a pattern that will never be repeated. The splendor is not only in the artistic forms of the swirls, but in the fact that no two people will ever share the exact same fingerprint.

Sharon High School is made up of its own set of unique personalities. Each one will never be duplicated. The beauty of our school is in the blending of all the individualities that come together to create our Eagle Pride. Every person that walks through these halls leaves their fingerprints in their own distinctive way.

So, how will you leave your mark on Sharon High?

SENIORS! SENIORS! SENIORS!

We finally made it! We are at the top of the food chain in high school. However, with that comes the stresses of getting into college and keeping our grades up despite the ever looming and contagious senioritis. But, by midyear we start to get acceptance letters or make decisions about our future and we get to relax and enjoy what makes Senior year so special like prom, senior activities, spending time with our friends, looking forward to the future and of course graduation. As we look ahead and prepare to say goodbye to Sharon High we will all take a moment to soak in the memories that have defined our lives so far and have made us who we are.

1. Seniors get together to show off the Class of 2015 t-shirts for SEN1OR5.
2. The senior powderpuff team dominated the game this year.
3. Senior Korey Rodecker roams the halls on Halloween ready to solve any mystery he might encounter.

A Fond Farewell to our Retirees

Robert Foley - Mathematics

Unchartered journeys in life
You introduced me to
Less trodden paths of life
I found because of you
Unbelievable places in life
Because of you I could see
And unplanned successes
Also came to me
Unexpected things in life
Happened thanks to you
Teachers like you are gifts
Only to a lucky few

MaryAnn Janosko - TV Media

Dear teacher...
You are not leaving us empty handed
You have already given us a lot
You have empowered us
With all that you have taught
It is time for you to enjoy the fruits
Of working hard for so many years
I wish you hearty congratulations

Your retirement has made
Everyone value you ever more
It has made us appreciate
The way you strengthened our cores
You are not just retiring
From your post, position or role
You are retiring as a teacher
Who inspired our souls.

FACULTY

Dedication and Passion

Walk through the halls early in the morning or late in the afternoon, well before and after all bells have rung and you will find teachers and staff in their room and offices working hard to ensure that the students at Sharon High get the best education possible. Their dedication extends far beyond the classroom, from the sports fields, to the stage, even all the way to India. One thing is certain, each faculty member also leaves a big mark on the students of SHS.

1. Mr. Sonis and Mr. Morse discuss football strategies with the athletic director Mr. Martin.
2. Mrs. Smith teaches the unit circle on one of the many promethean boards at SHS.
3. Ms. Collins and Dr. Kenner enjoy the view during their World Challenge trip to India.
4. The teachers get as excited for Halloween as the student do. At the annual pep rally Ms. Theberge, Ms. Burr, Mr. Snow, Mr. Charest, the other Mr. Charest and Dr. Cho show off their constumes.
5. Mr. Lengas sports a Superman t-shirt at the annual homecoming fair as he buys some food from Vani Gupta

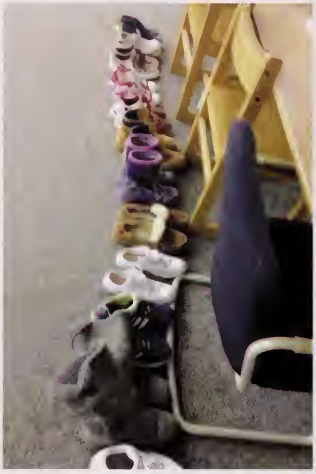
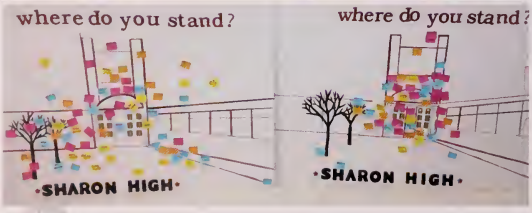
TEEN SPEAK OUT



Teen speak out is an all day event designed to foster respect and appreciation among students, faculty and administration and to help participants see how each of us, as individuals can make a difference in the school environment. Through a series of activities in large and small groups, Teen Speak out helps to build positive connections among all of the participants, thereby helping us to better understand differences and build on our commonalities. The day is led by a group of highly trained student peer facilitators. The program is run three times a year and is designed so that every student will have the chance to participate at some point in their four years of high school.



ART AND MUSIC

This year the creative department at Sharon High School shined once again. The theater company put on impressive performances such as Little Shop of Horrors, and the exhilarating student directed plays. Students have made wonderful pieces of visual art such as still life sketches, photographs and ceramic pots. Art is a form of expression and a way of communication through painting, drawing, or any medium. Students at SHS have vast imaginations and endless creativity and hence it is important to take time to appreciate the various forms of art that brighten the halls. To showcase the talent and hard work of artists at Sharon High School, the art club held the first art show of sharon high. From clay sculptures to paintings to photographs, the artwork can be viewed around the school and inspire creativity and imagination in all.

1. Elizabeth Weiss paints her twin, Emily, by a candle.

2. Eye of the Storm is a photograph by Talya Rogoff.

3. A still life done by Amy Wald.

4. Danelle Oh used mixed media to create Portrait.

To me, art means expression. I think it's a way of showing how you feel. True pieces of art give you insight into how the artists were feeling when they created them. I love looking around SHS and learning about the other students through how they express themselves.

LITTLE SHOP OF HORRORS

Breaking news! A peculiar plant is wreaking havoc in the halls of Sharon High School. This fall the Sharon High School Theatre Company (SHSTC) staged the "Little Shop of Horrors," a comedy horror musical set to a score of lively doo-wop numbers. "Little Shop of Horrors" opens in Mushnik's Flower Shop, a struggling family business in thoroughly rundown Skid Row. One of the shop workers, Seymour Krelborn (played by senior Ben Brack), acquires an exotic plant (which he dubs Audrey II after his crush played by Aspen Pannessidi, a fellow employee at Mushnik's). When Seymour brings this new plant to the shop to try to increase business, Audrey II delivers. The shop's business skyrockets because of onlookers interested in the eccentric plant. Mushnik, Seymour and Audrey are delighted. Unfortunately, this rare plant also has an unusual appetite - human blood. Seymour must face the chaos that ensues as he ponders what to do about the plant (which by now has earned him considerable fame personally).

Rehearsals for the show, which began on the first day of school, were particularly demanding this year. The rehearsal process started with learning the challenging vocals, filled with riffs and belting true to the early 1960s. The young performers also focused on choreography and blocking. The actors were not the only students working to produce Little Shop. A team of young artists and designers carefully crafted every piece of the production from the costumes to the set. Kate Rice, also a junior at SHSTC, was one of four stage managers and a set designer. "I'd say the hardest part is that we're doing something we've never really done before," said Rice."By creating a revolving set, there's a lot of math and precise measuring involved with this process." The play was a huge success and all the cast and crew had an amazing experience putting on this show.

Student Directed Plays

These shows were memorable as always. I love that they truly come from the minds of students."

—Aspen Panessedi, Director of ***Sure Thing*** and ***Universal Language***

The first one: Sure Thing, was about a man and a woman who meet for the first time in a cafe, where they have an awkward meeting continually reset each time they say the wrong thing, until they romantically connect. The second, Universal Language, was about a man who welcomes a naive woman into his fraudulent language-learning course, in which he only speaks the invented language called Unamunda. EAGLE PRIDE

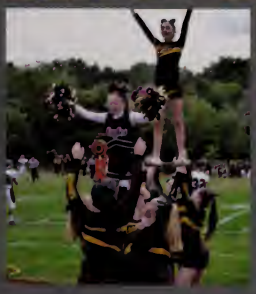
Determination. Teamwork. Effort. All of these words describe the sports here at Sharon High. Being on one of these teams or being a fan of them gives each member of SHS a feeling a pride and togetherness. It can all be described in two words: "Eagle Pride!"



FOOTBALL

The Sharon High Football team returned once more this year, with the goal of winning the Davenport division and getting the Hockmock title. The Varsity team returned with an offense and defense that was one to remember and were led by captains Andrius Bernotas, Kevin Byrne, Akiv Carries, and Adrian Lingo. Kevin Jones stated "Although our record wasn't as good as we had hoped, I still loved playing this season and as a unit, we have a lot of experienced players returning." That supports the fact that even though the team did not make it to the playoffs, the players still had fun, made good memories, and had lasting experiences. Coach Morse also states in The Talon that "Everyone in the Davenport is outstanding, so we can't just name one opponent because every week is going to be a war, and not one team is going to hand it to you, you have to show up to play each and every game." The Eagles fought every game of the season with determination and perserversence showing their intense Eagle Pride.

"We were hit hard early in the season with a couple injuries of key players, but that did give some sophomores and juniors more opportunity to get experience and play and get better for next year."
-Junior Kevin Jones

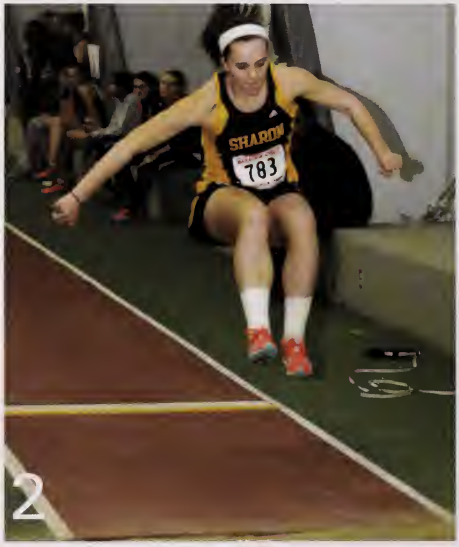
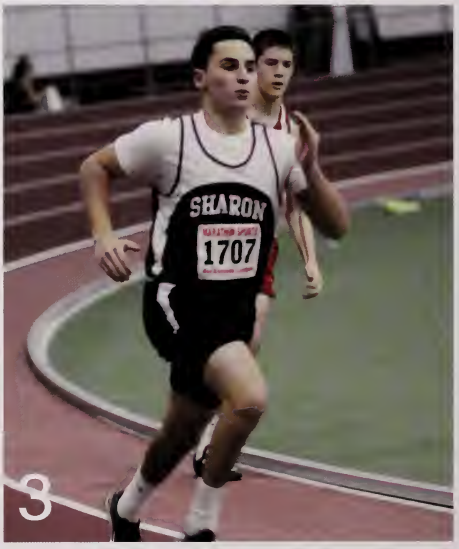
WINTER TRACK

Whether it gives you that 'runner's high' or it's just a way to stay in shape between seasons, winter track excels as a sport in which everyone can participate. Circling the halls of Sharon high to warm up, the team practices every day, as they brave the New England winter to adequately prepare for the meets. And more than adequate they are. This year the team succeeded in a plethora of various events, setting new school records and qualifying for impressive meets. A highlight of the season was meeting professional track stars and watching them in action.





Senior Captain Mia Kamara sets new school record for long jump and comes in 8th at All-States!

Senior Captain Shira Oknin sets new school record for shotput!

"This team really stepped up, showing determination and work ethic that promises for a bright future. As the season progressed it was amazing to watch our team grow stronger, celebrating our numerous victories."

-Captain Shira Oknin

1: Isabel Lisle and Carly Ryter run the track with speed and determination to finish.
2: Morgan Usen is leaps and bounds above the rest as she competes in the long jump event.
3: Spencer Shapiro flys by the other runner on the indoor track.
4: In between their events, Tyler Hippler, Ben Stoller, Sam Hershman, and Stephen Reilley rest and prepare for the next round of races.
5: Jessica Dosuto is in perfect form mid-air as she skillfully completes the high jump.
6: Brittney Nystrom speedily runs around the track.
7: Tyler Kaufman gives it all he's got while sprinting!

I hope the days come easy and the moments pass slow
And each road leads you where you want to go
And if you're faced with a choice and you have to choose
I hope you choose the one that means the most to you
And if one door opens to another door closed
I hope you keep walkin' 'til you find the window
If it's cold outside, show the world the warmth of your smile
But more than anything,, more than anything..

My wish for you
Is that this life becomes all that you want it to
Your dreams stay big and your worries stay small
You never need to carry more than you can hold
And while you're out there gettin' to where your gettin' to
I hope you know somebody loves you
And wants the same things too

Yeah, this is my wish

Shira

Believe in yourself and in your dream
Though impossible things may seem,
Someday, somehow you'll get through
To the goal you have in view.

Mountains fall and seas divide before
The one who in his stride,
Takes a hard road day by day
Sweeping obstacles away.

Believe in yourself and in your plan
Say not I can not but I can,
The prizes of life we fail to win
Becuase we doubt the power within.

Shira
